

Our Class Principles

A safe, productive class is best governed by principles, not rules

These four principles will govern our class:

1. Safety

- ✓ Safety is your personal responsibility
- ✓ Safety is our collective responsibility

2. Respect

- ✓ We will respect one another
- ✓ Respect will be earned

3. Cooperation

- ✓ You will cooperate and participate
- ✓ You are a citizen of this class

4. Responsibility

- ✓ You will be accountable
- ✓ Your choices—good or bad—will determine consequences
